Dear Members of the Midwest Surgical Association:

We are pleased to announce the details of the 55th Annual Meeting of the Midwest Surgical Association. This year's event will bring us back to the magic of the Grand Hotel on Mackinac Island from August 5 - 8, 2012. The Midwest Surgical Association has been making family memories and academic history at this venue for many alternate years. Therefore, we could not be happier to be able to help the Grand Hotel celebrate its 125th anniversary this year.

Special rates for our members have been negotiated for those booking prior to Tuesday, July 3, 2012. After this date reservations are arranged based on availability, so please return your housing form today.

The MSA sponsored Sunday New Member Reception will begin at 5:30pm followed by the Welcome Reception at 6:00pm, which will launch this year's meeting. Following dinner, the popular Spectacular Problems in Surgery session will be held from 9:00pm – 11:00pm. Monday will bring opportunity for the MSA members and guests to participate in the Annual 5k Fun Run, followed by the morning scientific session, spouse program, and the William Harridge Memorial Lecture. Members and guests may enjoy golf and tennis during their free time in the afternoon. Golfing on the Jewel Course is one of the most unique golf opportunities in the United States. The Grand nine is located across the street from the hotel, with views of Lake Huron and Round Island. Later on Monday evening, a favorite for members is the Monday Cocktail Reception and Annual Dinner Dance with entertainment not to be missed!

Scientific sessions begin again at 8:00am on Tuesday. Daily Children's Programs will have the young ones happy both days, additional information is enclosed in this mailing. MSA spouses and guests will enjoy a "Life on Mackinac Walking Tour" returning in time for the Presidential Address at 12:15pm by the honorable Dr. Richard A. Berg.
